

# Capability Statement - Government

Values Beyond Consulting...

## NCRCL® - An Overview

---

NCR Consultants Limited (NCRCL®) is a management consulting company created out of 80+ years of audit and professional advisory experience. The Company, though only nine years old has created a niche for itself in the area of management consulting by executing projects in various sectors like Government, Corporate, Education, Banking and NGOs.

In the Government sector, NCRCL has executed significant projects in the areas of design and implementation of internal systems, studies, drafting of policies, rules & regulations, accounting, accountability, audit, finance management, MIS and software. NCRCL is involved both in policy and process aspects. Within the short period of its existence NCRCL has executed projects for The World Bank, US-AID, and Swiss Agency for Development and Cooperation, and for the Asian Development Bank (as sub contractor). NCRCL has executed projects for the Government of India, State Governments of Tamil Nadu, Karnataka, Kerala, Andhra Pradesh, Orissa, Madhya Pradesh & Sikkim and also at the Local Bodies level.

NCRCL® is supported by N. C. Rajagopal & Co, a 80 year old Audit firm. N. C. Rajagopal & Co., was started in the year 1925 by its founder late Shri. N. C. Rajagopal. With an excellent network of professionals, the firm operates in all parts of India. The firm is headed by a past president of the Institute of Chartered Accountants of India supported by senior partners who have served positions in several committees of the Institute.

NCRCL® is an associate of McMillan Woods Global (MCMWG), a global network or association of independent local and regional firms of recognized qualified accountants and professional advisors.
